3	E002	Buy Vibrant Tote with noise	Good morning, I'm looking to buy the VBT2345 Vibrant Tote bag. My name is Jessica and I love tote bags, they're so convenient for carrying all my stuff. Last summer I bought this really cute straw tote that I used at the beach. Oh, and a few years ago I got this nylon tote as a free gift with purchase that I still use for groceries.
4	E003	Need your help Buy Infinity Scarves Order	Hello, I need a new bag to carry my laptop and documents for work. My name is David and I'm having a hard time deciding which would be better - the LTH1098 Leather Backpack or the Leather Tote? Does one have more organizational pockets than the other? Any insight would be appreciated!
5	E004	Inquiry on Cozy Shawl Details	Hi, I'd like to order three to four SFT1098 Infinity Scarves please. My wife loves collecting scarves in different colors and patterns.
6	E005		Good day, For the CSH1098 Cozy Shawl, the description mentions it can be worn as a lightweight blanket. At \$22, is the material good enough quality to use as a lap blanket? Or is it more like a thick wrapping scarf? I'm considering buying it as a gift for my grandmother. Thank you!
7	E006		Hey there, I was thinking of ordering a pair of CBT8901 Chelsea Boots, but I'll wait until Fall to actually place the order. My name is Sam and I need some new boots for the colder months.

10	E009	Pregunta Sobre Gorro de Punto Grueso	Hola, tengo una pregunta sobre el DHN0987 Gorro de punto grueso. ¿De qué material está hecho? ¿Es lo suficientemente cálido para usar en invierno? Gracias de antemano.
11	E010	Purchase Retro Sunglasses	Hello, I would like to order 1 pair of RSG8901 Retro Sunglasses. Thanks!
12	E011	Question on Retro Sunglasses Description	Hi there, The description for the RSG8901 Retro Sunglasses says they offer 'a cool, nostalgic vibe'. What era are they inspired by exactly? The 1950s, 1960s? I'm just curious about the style inspiration. Thank you!
13	E012	Rambling About a New Work Bag	Hey, hope you're doing well. Last year for my birthday, my wife Emily got me a really nice leather briefcase from your store. I loved it and used it every day for work until the strap broke a few months ago. Speaking of broken things, I also need to get my lawnmower fixed before spring. Anyway, what were some of the other messenger bag or briefcase style options you have? I could go for something slightly smaller than my previous one. Oh and we also need to make dinner reservations for our anniversary next month. Maybe a nice Italian place downtown. What was I saying again? Oh right, work bags! Let me know what you'd recommend. Thanks!
14	E013	Shopping for Men's Sandals	Hi, my name is Marco and I need to buy a pair of slide sandals for men, in the Accessories category, for the summer.

16	E015	Stylish Yet Practical Men's Bag Recommendation	Good morning, I'm looking for a nice bag for my husband Thomas for our anniversary. He has a professional office job, but also likes outdoor activities on weekends. Which men's bag would you recommend that's both stylish and practical? Something he can use for work but also take on hikes. Thank you in advance!
17	E016	Summer Wedding Guest Dress Preferences	Hello, I'm looking for a dress for a summer wedding I have coming up. My name is Claire. I don't want anything too short, low-cut, or super tight-fitting. But I also don't want it to be too loose or matronly. Something flattering but still comfortable to wear for an outdoor ceremony. Any recommendations on some options that might work for me? Thank you! And bag, I think I need some travel bag.
